The Creative Educational Solutions Approach

With a strong belief in a personalized approach to university consulting, focused on each student's unique strengths, aspirations, and family values, all services are designed to reduce stress, maximize potential, and find the best-fit universities – academically, socially, and financially.

Comprehensive College Planning Packages

All Packages offer a holistic and structured approach to the university application journey, providing significant value and peace of mind. Packages are designed for varying levels of comprehensive support throughout the process.

Common Inclusions Across All Packages:

- Initial intake and goal setting session
- Personalized timeline and checklist
- Regular email communication
- Guidance on building a balanced university list
- Essay brainstorming and editing support
- Financial aid overview and FAFSA/CSS Profile guidance (general)
- Follow-up Consultations

À la carte options & add-ons available, as well as package upgrades at any time

You can start small and add on if necessary. Any initial investment will apply to new package prices when upgrading. Expedited services available for additional fee (depending on timeframe and availability.)
